

California State Employee's Food Drive CCC Team Challenge Events - December

Is your team looking for more ways to get involved and earn points? Check out the opportunities below!

Be a Food Drive Elf – volunteer to help with food drive activities such as weekly weigh-ins. Each volunteer will earn **20 points** for their team. Don't worry - past Elves who have helped will be credited points as well. (That's you Beatrice, Jennifer, Alysia, Brandon, & Teresa)

Volunteer – Employees who volunteer at a local food bank during the month of December can earn an additional **50 points** for their team for each day they volunteer. They will get **25 points** for each family member who volunteers with them! To earn credit, email Alicia a picture and names of your family volunteering (include date and name of food bank).

Sacramento Food Bank and Family Services has offered a few dates for State Employees on 12/10 and 12/20. Email [Peggy Marshall](mailto:peggy.marshall@rivercityfoodbank.org) if you are interested. If you would like to volunteer during your lunch, don't forget about River City Food Bank just down the street. <http://rivercityfoodbank.org/>

Ugly Sweater Day – Do you have a festive holiday sweater that is just itching to be worn out of the house? On **Wednesday, December 28th** you will have the chance to show off your holiday spirit! Each participant wearing an Ugly Sweater will earn **5 points** for their team. Everyone will have the opportunity to vote on the top three “best – aka – worst” sweaters **1st place = 20 points, 2nd place = 15 points, and 3rd place = 10 points**. One food item equals one vote and \$1.00 equals one vote. You can vote as many times as you want. Please remember, sweaters must be work appropriate.

December Challenge Points Chart

Food Drive Activity	Points Awarded
Food Drive Elf	20 points
Volunteer at a Local Food Bank	50 points per employee volunteer; 25 point for each additional family member volunteer
Ugly Sweater Day	5 points per participant; 1 st place = 20 points, 2 nd place = 15 points, and 3 rd place = 10 points

PLEASE NOTE: Participation in any or all of this year's Food Drive events is voluntary. If you have questions or would like to be removed from the team list, please feel free to reach out to Alicia Tutt or Colleen Hardin. Thank you!
